#### Type of guide

Smartphone and other devices

#### **Features and Benefits**

Creating restricted profiles limits the access your children have and content on your Android Tablet and restrict in-app purchasing.

#### What specific content can I restrict?

#### What do I need?

You will need your Google account email and password for the device

### CIOECUD

### Step by step guide

Go to the tablet home screen

### CIOECUD

#### Step by step guide

<sup>2</sup> Swipe down from the top of the screen to see the settings panel. Select the cog icon in the top right corner to open the settings menu.

#### CIOECUD

#### Step by step guide

3

scroll down and select 'Users'.

#### CIOECUD

#### Step by step guide

4

Add new 'Restricted User'
