As it's locally run, they also had the opportunity to continue further training after school. • Corporal Butcher has been a hugely positive role model across the school. He has supported our behaviour policy and worked with individual and groups of children as needed. He has also brought equipment and resources we otherwise wouldn't have access to (laser quest, bouncy castle, nerf guns etc) which has complimented our PE curriculum. • 89 percent of children in year 3 were able to swim 25 metres following this block of lessons. • We have a good stock of resources for curriculum and after school use.
