Coolmilk:

Unfortunately, after a series of issues regarding the delivery of our milk, we have made the decision to end our contract with Coolmilk, with immediate effect. The school was in regular communication to rectify the situation, but Coolmilk were unable to accommodate our needs regarding delivery times. There is a helpline number that parents can ring regarding any queries/refunds etc - 0844 854 2913. Thank you.

Miner Bees at Leas Park:

We have some bees that have decided to come and live at Leas Park (in the grass area on the front playground) called Miner Bees. We have been assured they are not dangerous but we have cordoned off the area for their safety, so feel free to go and have a look but please do not go past the tape. If you look closely you will see all of the mounds of soil where they "mine" into the ground. Thank you.
