

LEAS PARK JUNIOR SCHOOL

ACCESSIBILITY PLAN 2024 - 2025

1. Aims

Schools are required under the Equality Act 2010 to have an accessibility plan. The purpose of the plan is to:

- Increase the extent to which disabled pupils can participate in the curriculum
- Improve the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided
- Improve the availability of accessible information to disabled pupils

Our school aims to treat all its pupils fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind.

Our Vision

Leas Park Junior School encourages everyone to excel by:

- Providing a welcoming, safe and happy school where everyone is respected and listened to
- Working in partnership with parents and the wider community
- Striving for the highest possible standards of pupil achievement and behaviour
- Placing an emphasis on the virtues of kindness and appreciation and creating an inclusive school for everyone
- Developing our Core Values across everything we do

We aim to:

- Ensure that the arrangements made for pupils with special educational needs and disabilities are in line with the requirements of the Special Educational Needs and Disabilities and Equality Act
- Provide a broad and balanced curriculum for all pupils according to their needs
- Ensure that all pupils with Special Educational Needs and Disabilities are able to take part in all activities of the school including those that occur outside school hours
- Ensure that all pupils are involved in decisions made about them and their education
- Involve our parents in school life and keep them informed about their child's progress

- Establish close professional relationships with parents and families (compliant with Equality act 2010)
- Ensure all policies clearly reflect inclusive practice and procedures

We know that many pupils will have a special need at some time during their school life and that the best way of helping them is for everyone involved to work together.

Our school is also committed to ensuring staff are trained in equality issues with reference to the Equality Act 2010, including understanding disability issues.

The school supports any available partnerships to develop and implement the plan.

Leas Park Junior School actively involves outside agencies to support the progress of pupils experiencing difficulties. These include:

- School, Children, Family Support Services (SCFSS)
- Sherwood Area Partnership (SAP)
- Manor Family SENDCO's
- EPS team
- Healthy Families Team

Our school's complaints procedure covers the accessibility plan. If you have any concerns relating to accessibility in school, this procedure sets out the process for raising these concerns.

2. Legislation and guidance

This document meets the requirements of [schedule 10 of the Equality Act 2010](#) and the Department for Education (DfE) [guidance for schools on the Equality Act 2010](#).

The Equality Act 2010 defines an individual as disabled if he or she has a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on his or her ability to undertake normal day to day activities.

Under the [Special Educational Needs and Disability \(SEND\) Code of Practice](#), 'long-term' is defined as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer.

Schools are required to make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a disabled pupil faces in comparison with non-disabled pupils. This can include, for example, the provision of an auxiliary aid or adjustments to premises and ensure that safeguarding procedures are in place for all staff.
