NEWSLETTER

Week commencing 23rd February 2026

Welcome to our Newsletter,

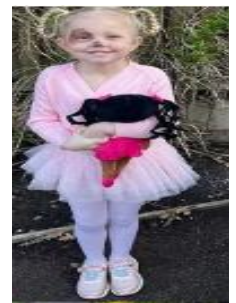

We hope you all had a wonderful half term despite the constant rain. We have some exciting things planned this term kicking off with a 'How to Train Your Dragon' workshop being led by Jack from Mansfield Palace Theatre. Pictures to follow next week.

World Book Day:

This year, World Book Day is on Thursday 5th March and we will be celebrating it in school! We are inviting children to bring a book of their choice to share with their peers and to come dressed in a character-inspired outfit. This can be as simple or creative as you like.

During the day we will be using arts and crafts to show our favourite characters and participating in a live lesson that celebrates the magic of stories and the joy of writing. We'll explore a captivating Pobble 365 prompt helping to spark ideas and guide students to write their own imaginative tales inspired by their favourite books and characters.

Check out this website for some costume ideas: [126 easy World Book Day homemade costume ideas 2025 with pictures](#) .

Safer Internet Day

Before half term, our school joined others nationwide to celebrate Safer Internet Day 2026, the largest global, online safety campaign. This year's theme, 'Smart tech, safe choices – Exploring the safe and responsible use of AI,' focused on teaching children and young people the skills to use AI technology safely and responsibly.

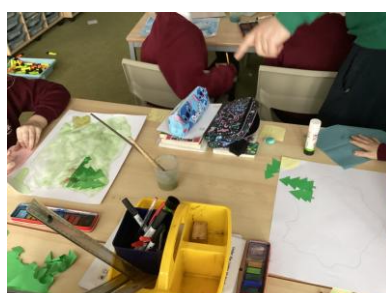

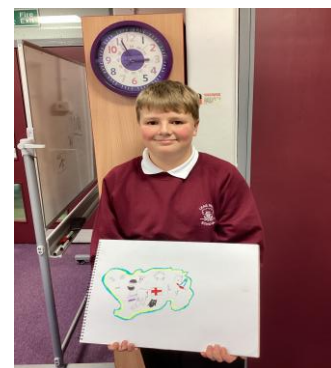

Children's Mental Health Week

Children's Mental Health Week took place from 9-15 February 2026 with the theme 'This is My Place'.

During the week we talked about belonging and the places that we belong to. We talked about how people can help us belong by showing small acts of kindness and then designed our own islands to show our happy places and what helps us feel like we are somewhere we belong.

See below some pictures of some of the amazing work we created in our classrooms:-

Events over the coming weeks.....

- **Mother's Day Breakfasts:** Again, we would like to welcome all our wonderful Mother's, Grandmother's, Great-Grandmothers and Aunties into school for breakfast to celebrate this special day. Our Mother's Day breakfast dates are:
 - Year 3 – Thursday 12th March
 - Year 4 – Friday 13th March
 - Year 5 – Monday 16th March
 - Year 6 – Tuesday 17th March

The closing date for ALL payments/orders/dates is THIS FRIDAY, 27TH FEBRUARY. Please don't miss out if you would like to join us. Payments can be made until Friday 27th Feb via ParentPay.

- **Red Nose Day** takes place on Friday 20th March this year and we are giving you the opportunity to purchase your child's red nose for the day via ParentPay. This year's theme is "Design-Yer nose, where anything goes" so grab your pens, pencils and felt-tips and get creative! **The closing date to order from us is next Friday, 6th March.** Noses will be sent to your child's class w/c 16th March.

Reminders, messages and additional news – please read!!

Waterproof coats

Please ensure your child brings a warm, waterproof coat to school every day, to keep them protected from the elements during our inclement English weather! All items of clothing should be labelled.

Late collection

If you are aware that you are going to be late to collect your child at the end of the school day, please let us know in plenty of time and **before** the end of school at 3:15pm. When calls are received after the end of school, it is difficult for Reception Staff to get to the classrooms before the children have left.

Changing dinners

Please note that the school office will need **one weeks' notice**, if you wish to change your child from school meals to sandwiches, or vice versa. Thank you.

Pupil Information

Please ensure school have all of your current contact information up to date. If you change your name, telephone number or address, please let school know as soon as possible and ensure that we always have **at least two separate emergency contacts** for your child.

Pupil Lateness and Absence

School starts at **8:45am**. Please ensure your child arrives on time and with all the uniform, equipment, lunch and snacks that they require for their day. If you are going to be late arriving to school, or if your child is not in full school uniform, please contact us on 01623 477629 to let us know why. If you know in advance that your child will not be in or will be late in the following day, the message system regarding pupil absence can be accessed at any time outside of office hours via our telephone number.

If your child needs to be out of school for any reason, please complete a 'Withdrawal from Learning Form' and submit to the school office asap, for authorisation at the discretion of the head teacher. These forms can be accessed via this link: <https://forms.office.com/e/v7wFmYp9J7> or paper copies are available from the leaflet stand in reception.

Illness & Medications

If you do need to keep your child off school on a school day, please contact the school office on 01623 477629 **before 9:00am on the day they are due to be off**.

If you wish for your child to be given medication whilst at school, please complete and submit the form via this link:

[Leas Park Junior School - Permission for School to Administer Medication](#)

All medication needs to be both handed into school and collected, by an adult.

Staff Car Park

Please note the staff car park is for use **by staff only**. We have very limited space and quite often staff need to leave site and return at short notice. Extra vehicles can make manoeuvring dangerous and can also mean that spaces aren't available for staff who need to be here. Thank you for your understanding.

Nut free school

In line with NCC policy regarding nut allergies, we do not allow any type of nuts including peanuts in school - either in packed lunches or in snacks. This also includes any nut based products including Nutella, other sandwich spreads containing nuts and any cereal bars that may contain nuts.

Thank you for your support.

Snacks

Children are allowed to bring a healthy snack in with them to have during break time, for example fruit or vegetables. Please do not send in grab bags/multi packs of crisps, biscuits or sweets. Please ensure any food sent in to school is nut free. Thank you for your co-operation.

Jewellery

Children should not be wearing jewellery to school, with the exception of a watch (not a smartwatch) and small stud earrings, which will need to be removed or covered during PE lessons. This is due to Health and Safety and the possibility of loss or damage.

Welcome to our Spring Term Reading Newsletter! This term, reading continues to be at the heart of life at Leas Park. We're so proud of the enthusiasm our children show for stories, information books and poetry. Our aim is to nurture confident, curious readers who find joy in books - whether that's escaping into an adventure, discovering new facts or sharing a laugh with a favourite character.

Reading Rewards!

We've loved seeing how committed children have been to reading at home. Certificates, milestone awards and book vending machine prizes have been flying out this term!

Please keep encouraging children to record their reading at home – remember, *all reading counts*. This might include reading books, comics, recipes, leaflets, instructions or online articles. Children who record five reads a week are entered into the weekly reading raffle.

Let's keep the momentum going – happy reading, Leas Park! 📖

Scholastic Book Fair

Our annual Scholastic Book Fair will take place during Parents' Evening this term. Families will have the chance to browse and purchase books if they wish. Please remember there is absolutely no expectation to buy – simply coming along to explore books with your child is valuable in itself. Thank you for the fantastic support last year, which helped us invest even more into our reading resources.

Our School Library

All children have a weekly opportunity to visit the school library to borrow a book to enjoy at home. Our shelves are full of fiction, non-fiction and poetry to suit a wide range of interests and reading levels.

Our Year 6 librarians continue to do a fantastic job helping children choose books and keeping the library welcoming and well organised.

Thank you to families who have donated books – your generosity helps keep our collection exciting and up to date. We also continue to work with the Education Library Service to borrow new and curriculum-linked titles requested by the children.

Book Club Assemblies

Each week, children come together in year-group Book Club assemblies to celebrate reading. These sessions are a chance to recommend great reads, share favourites, ask for ideas on what to read next and hear about books that teachers love too. It's wonderful to see children inspiring each other and growing in confidence when talking about books

Love to Read Club

Our lunchtime Love to Read Club continues to be a calm and cosy space for children who enjoy getting lost in a good book. Children read together, recommend stories to one another and enjoy being part of a relaxed reading community. Each term, a new group of children will be invited to take part so that lots of readers get the chance to join in.

We are reading...

At the start of each day each class reads their whole class guided read text. Have a chat with your child about the text to see if they are enjoying it...

Get Caught Reading

Our popular photo competition is back! Where do you like to read? On the sofa? In the garden? Somewhere surprising? Send your "Get Caught Reading" photos to admin1@leaspark.notts.sch.uk or hand in a printed photo to your class teacher. We'll choose a winner at the end of the term!

A chance for Parents to win a £25 Amazon Voucher

Notts Families Information Service is seeking the views of parent and carers, to help improve the service delivered through the [Notts Help Yourself website](#), their [Facebook page](#), [Instagram](#) and telephone support.

The Families Information Service aim, is to help families with finding childcare, discover the different types of childcare funding support available and provide lots of useful information to parents or carers and professionals who work with families. We have guidance on parenting challenges, child development and getting ready for school, healthy lifestyles, volunteering, returning to work and lots more.

The survey is now open, from 23rd February until 22nd March and anyone taking part can enter a prize draw to win a £25 Amazon voucher.

The survey only takes a few minutes to complete and can be found at <https://bit.ly/FISSurvey2026>

Nottinghamshire Holiday Activities and Food

What is the Holiday Activities and Food programme?

The Holiday Activities and Food (HAF) programme is funded by the Department for Education. The programme aims to support the wellbeing of children aged between 5 and 16 years, focusing on physical and mental wellbeing by providing a variety of activities during school holidays.

Local activity providers run face-to-face sessions that are fully funded for children and young people receiving benefits-related free school meals. Included in each session is a meal.

The aims of the programme are:

- to support children to eat healthily
- to support children to active during school holidays
- to support children in their understanding of health and nutrition
- to support families to be engaged with local support services.

Who is eligible?

The HAF programme is open to children and young people aged between 5 and 16 years (age 4 if in reception class full-time) and receiving benefits-related free school meals. This is different from the universal infant free school meals that children receive in reception, year 1 and year 2.

If you think you are eligible for free school meals but you have not applied, you can **apply for free school meals online:**

www.nottinghamshire.gov.uk/freeschoolmeals

We can fund a small number of those who are not eligible for benefits-related free school meals. These places should be discussed on a one-to-one basis with a member of the HAF team. To be eligible for a discretionary place, families will need a professional referral from a support worker, social care or school team.

Nottinghamshire Holiday Activities and Food

Activities and venues

There are plenty of fantastic activities happening across the county as part of the Holiday Activities and Food programme. Programmes run in the spring (Easter), summer, autumn (October) and winter school holidays.

Children and young people can access the following:

- **4 days of face-to-face activity in spring (Easter)**
- **12 days of face-to-face activity in summer**
- **4 days of face-to-face activity in autumn (October half term)**
- **4 days of face-to-face activity in winter**

SEND activities

It is extremely important that providers understand if the child you are booking activities for has any additional needs. Providers aim to offer a quality programme, inclusive for all. It is therefore essential that they are aware of special educational needs and disabilities (SEND) and any reasonable adjustments can be considered.

If a child attends a holiday club without full disclosure of support needs, the holiday club may not be able to offer the full support required, and this could result in the place being withdrawn.

Nottinghamshire Holiday Activities and Food

All holiday clubs can be booked through Eequ – our chosen booking system. The below steps show how to book a place.

Visit the HAF Notts website:
www.nottinghamshire.gov.uk/HAF

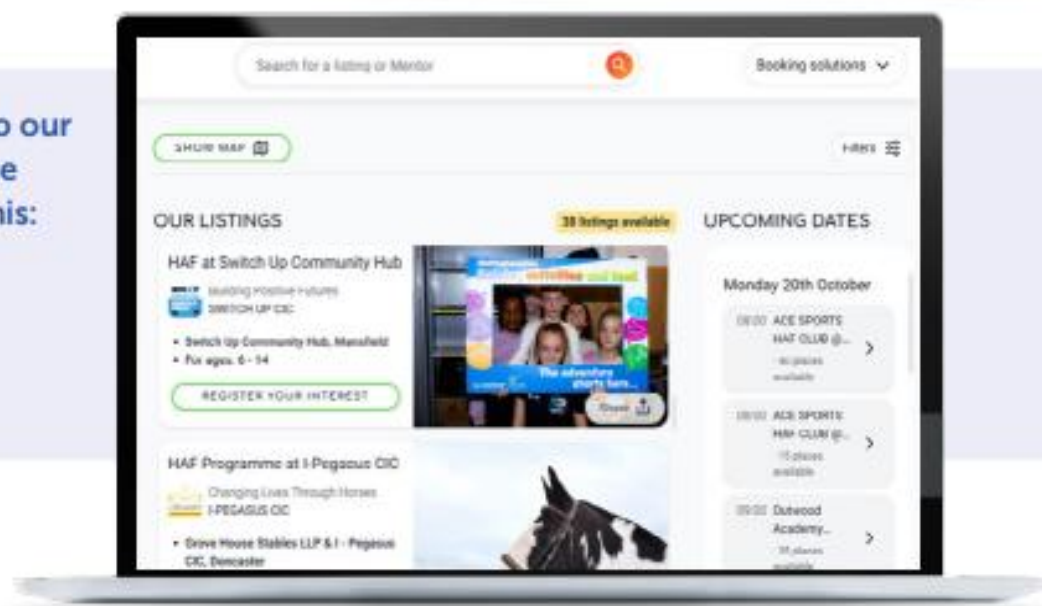

1

Click on the
Find an activity
button:

2

This will then go to our
new bookings page
which looks like this:

A guide for schools, parents and carers

Nottinghamshire Holiday Activities and Food

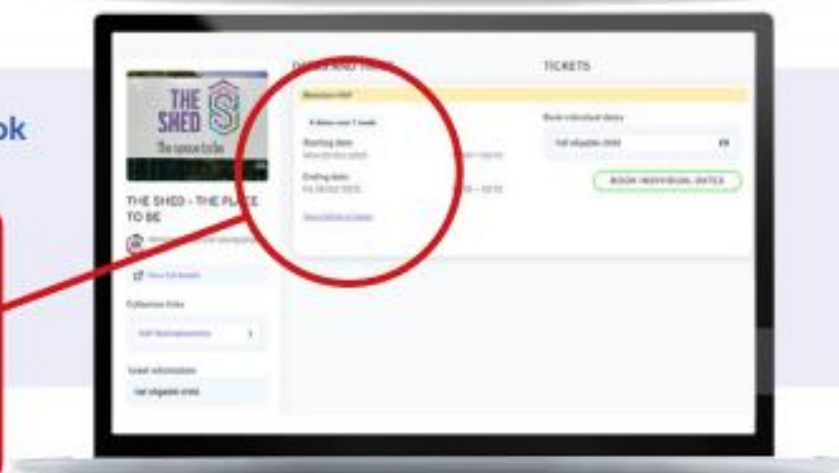

3

There will be a list of holiday clubs to choose from either by scrolling, postcode search, map search, activity specific, SEND specific etc. Parents/carers find a holiday club or clubs and click the green **BOOK** button, or register your interest if bookings are not yet open.

4

Choose the dates you want to book

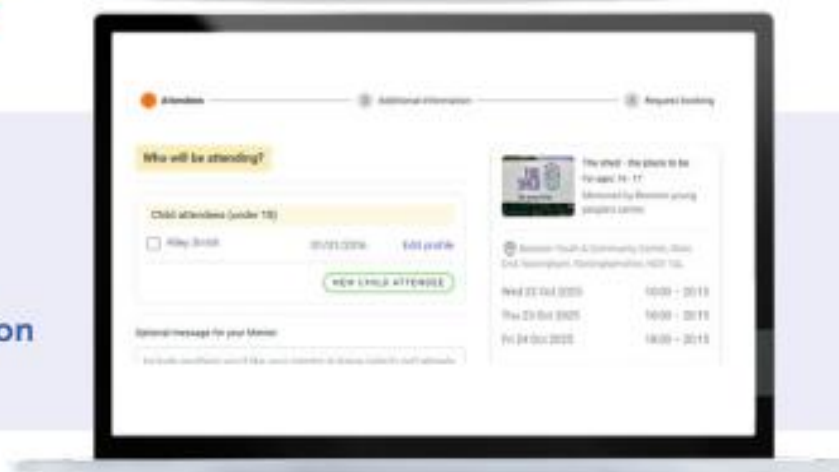

5

Add the details for each child – such as name and date of birth

6

You will then receive a confirmation email for your places booked.

You can also [watch a useful video by Eegu](#), which is also linked on our 'find an activity' page.

Frequently asked questions:

What's the difference between universal and benefits-related free school meals?

Universal infant free school meals (UIFSM) provides funding for all government funded schools to offer free school meals to pupils in reception, year 1, and year 2. If families are in receipt of benefits, they should still apply for 'benefits-related' free school meals for their children, if they believe they are eligible.

Free school meals are currently available to pupils in receipt of, or whose parents are in receipt of, one or more of the following benefits:

- **Universal Credit (provided you have an annual net earned income of no more than £7,400, as assessed by earnings from up to three of your most recent assessment periods)**
- **Income Support**
- **Income-based Jobseeker's Allowance**
- **Income-related Employment and Support Allowance**
- **Support under Part VI of the Immigration and Asylum Act 1999**
- **The guaranteed element of Pension Credit**

Is pupil premium the same as free school meals?

Pupil premium and free school meals are not the same, but they are related. Pupil premium is extra funding for every child who's eligible for free school meals throughout their time at school. The funding goes directly to the school and pays for things like school trips, breakfast clubs, or additional teachers and assistants to provide extra support and one-to-one tutoring.

Once a child is in receipt of benefits-related free school meals, their school will receive additional funding (pupil premium) to help and support them through their education.

Nottinghamshire Holiday Activities and Food

What if my child has specific needs?

If your child requires assistance for the activity, please contact the provider to discuss further – you may be welcome to attend with your child or the activity provider may offer extra support for your child. We also have specific Special Educational Needs and Disabilities (SEND) provision, please discuss with the provider of the activity on booking.

Is food provided?

Yes. As part of every Nottinghamshire Holiday Activities and Food programme, refreshments and a meal will be provided free to each child and young person attending.

Please mention any dietary requirements your child has when booking. We will endeavour to meet all dietary needs.

Is transport provided?

Unfortunately, we cannot offer transport to each person wanting to take part in an activity. Where residents live in a rural locality, we will aim to support travel, but this will be considered on a one-to-one basis and by application. Please contact us via haf@nottscc.gov.uk.

How do I know my child is safe?

All our providers are DBS checked and Ofsted registered where required (under 8 provision). There are several checks that providers must pass to be a deliverer of the programme, to ensure your child is in the safest of hands.

At the time of booking you must also supply a password for collection of your child. We also ask for an emergency contact number where an appropriate adult can be reached. Please ensure that this number is current and active whilst your child is at their chosen activity.
