NEWSLETTER

Week commencing 2nd March 2026

Welcome to our Newsletter,

This week sees the start of our assessments; the children have worked hard in preparation for this.

Our Year 6's will start the week with a "Peek at the Greek" day at Mansfield Museum.

We are also excited for **World Book Day on Thursday!** Watch this space for pictures of what we get up to throughout the day.

How to Train Your Dragon Workshop

Last Monday, Year 4 took part in a workshop inspired by How to Train Your Dragon. They explored the key themes of the book, focusing on friendship, bravery and adventure and how these are shown through the characters and their journeys. Using their imaginations, they designed and created their very own unique dragons, thinking carefully about their features and personalities. They also created a fun and informative advert, teaching others exactly how to train their dragon.

Book Fayre

We are excited to announce that we are holding a Book Fayre on Wednesday 25th and Thursday 26th March. This will be set up in the hall during our Parents Evenings so please stop by and take a look.

Last year, with your help, we gave over £5.3M worth of free books to schools nationwide, which stocked school libraries and classrooms.

*Free books are subject to terms and conditions. Please contact your Book Fair Organiser or Scholastic Book Fairs for details.

All books subject to availability. Book range may vary. ⚠ Warning: Not suitable for children under 3. Small parts.

Updates

Arbor

Invites for this went out on Friday, thank you to all those that have signed up. For anyone not signed up please can you do so at your earliest convenience for communications. If you are having any difficulties with this, please let the office team know.

Arbor will be needed for booking your appointments for Parents Evening.

Parent Governor Elections

We have 2 vacancies for parent governors and we are looking to elect parents who have a child/children in this school. Letters regarding this have all gone out with all the relevant information, if you have not received this, please let the office team know.

We are looking for parents who have the skills required to contribute to effective governance and success of this school. Parents with a strong commitment to the role, to aid in improving outcomes for children and have the inquisitiveness to question and analyse, with the willingness to learn.

If you think this is you, check the eligibility and disqualification form that was sent out, sign the declaration of eligibility form and complete the nomination form and return it to school, preferably, with a statement about yourself, the skills you would bring to the role and why you would like to become a governor.

Your nomination form should be in a sealed envelope marked “nomination for parent governor” and may be hand delivered, sent with your child or by post to the school. All nominations must be returned to Mrs Hall, Headteacher at Leas Park Junior School. A ballot box is in reception for hand delivery.

Closing date for nominations is 10am on Wednesday 4th March 2026.

Reminders, messages and additional news – please read!!

Waterproof coats

Please ensure your child brings a warm, waterproof coat to school every day, to keep them protected from the elements during our inclement English weather! All items of clothing should be labelled.

Late collection

If you are aware that you are going to be late to collect your child at the end of the school day, please let us know in plenty of time and **before** the end of school at 3:15pm. When calls are received after the end of school, it is difficult for Reception Staff to get to the classrooms before the children have left.

Changing dinners

Please note that the school office will need **one weeks' notice**, if you wish to change your child from school meals to sandwiches, or vice versa. Thank you.

Pupil Information

Please ensure school have all of your current contact information up to date. If you change your name, telephone number or address, please let school know as soon as possible and ensure that we always have **at least two separate emergency contacts** for your child.

Pupil Lateness and Absence

School starts at **8:45am**. Please ensure your child arrives on time and with all the uniform, equipment, lunch and snacks that they require for their day. If you are going to be late arriving to school, or if your child is not in full school uniform, please contact us on 01623 477629 to let us know why. If you know in advance that your child will not be in or will be late in the following day, the message system regarding pupil absence can be accessed at any time outside of office hours via our telephone number.

If your child needs to be out of school for any reason, please complete a 'Withdrawal from Learning Form' and submit to the school office asap, for authorisation at the discretion of the head teacher. These forms can be accessed via this link: <https://forms.office.com/e/v7wFmYp9J7> or paper copies are available from the leaflet stand in reception.

Illness & Medications

If you do need to keep your child off school on a school day, please contact the school office on 01623 477629 **before 9:00am on the day they are due to be off**.

If you wish for your child to be given medication whilst at school, please complete and submit the form via this link:

[Leas Park Junior School - Permission for School to Administer Medication](#)

All medication needs to be both handed into school and collected, by an adult.

Staff Car Park

Please note the staff car park is for use **by staff only**. We have very limited space and quite often staff need to leave site and return at short notice. Extra vehicles can make manoeuvring dangerous and can also mean that spaces aren't available for staff who need to be here. Thank you for your understanding.

Nut free school

In line with NCC policy regarding nut allergies, we do not allow any type of nuts including peanuts in school - either in packed lunches or in snacks. This also includes any nut based products including Nutella, other sandwich spreads containing nuts and any cereal bars that may contain nuts.

Thank you for your support.

Snacks

Children are allowed to bring a healthy snack in with them to have during break time, for example fruit or vegetables. Please do not send in grab bags/multi packs of crisps, biscuits or sweets. Please ensure any food sent in to school is nut free. Thank you for your co-operation.

Jewellery

Children should not be wearing jewellery to school, with the exception of a watch (not a smartwatch) and small stud earrings, which will need to be removed or covered during PE lessons. This is due to Health and Safety and the possibility of loss or damage.

Nottinghamshire Holiday Activities and Food

What is the Holiday Activities and Food programme?

The Holiday Activities and Food (HAF) programme is funded by the Department for Education. The programme aims to support the wellbeing of children aged between 5 and 16 years, focusing on physical and mental wellbeing by providing a variety of activities during school holidays.

Local activity providers run face-to-face sessions that are fully funded for children and young people receiving benefits-related free school meals. Included in each session is a meal.

The aims of the programme are:

- to support children to eat healthily
- to support children to active during school holidays
- to support children in their understanding of health and nutrition
- to support families to be engaged with local support services.

Who is eligible?

The HAF programme is open to children and young people aged between 5 and 16 years (age 4 if in reception class full-time) and receiving benefits-related free school meals. This is different from the universal infant free school meals that children receive in reception, year 1 and year 2.

If you think you are eligible for free school meals but you have not applied, you can **apply for free school meals online:**

www.nottinghamshire.gov.uk/freeschoolmeals

We can fund a small number of those who are not eligible for benefits-related free school meals. These places should be discussed on a one-to-one basis with a member of the HAF team. To be eligible for a discretionary place, families will need a professional referral from a support worker, social care or school team.

Nottinghamshire Holiday Activities and Food

Activities and venues

There are plenty of fantastic activities happening across the county as part of the Holiday Activities and Food programme. Programmes run in the spring (Easter), summer, autumn (October) and winter school holidays.

Children and young people can access the following:

- **4 days of face-to-face activity in spring (Easter)**
- **12 days of face-to-face activity in summer**
- **4 days of face-to-face activity in autumn (October half term)**
- **4 days of face-to-face activity in winter**

SEND activities

It is extremely important that providers understand if the child you are booking activities for has any additional needs. Providers aim to offer a quality programme, inclusive for all. It is therefore essential that they are aware of special educational needs and disabilities (SEND) and any reasonable adjustments can be considered.

If a child attends a holiday club without full disclosure of support needs, the holiday club may not be able to offer the full support required, and this could result in the place being withdrawn.

Nottinghamshire Holiday Activities and Food

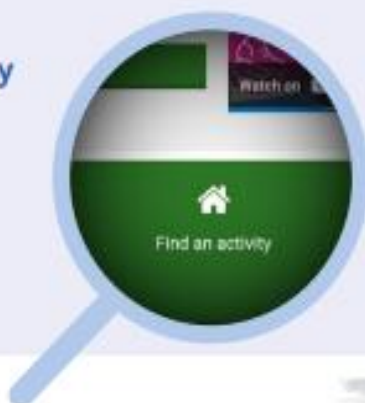

All holiday clubs can be booked through Eequ – our chosen booking system. The below steps show how to book a place.

Frequently asked questions:

What's the difference between universal and benefits-related free school meals?

Universal infant free school meals (UIFSM) provides funding for all government funded schools to offer free school meals to pupils in reception, year 1, and year 2. If families are in receipt of benefits, they should still apply for 'benefits-related' free school meals for their children, if they believe they are eligible.

Free school meals are currently available to pupils in receipt of, or whose parents are in receipt of, one or more of the following benefits:

- **Universal Credit (provided you have an annual net earned income of no more than £7,400, as assessed by earnings from up to three of your most recent assessment periods)**
- **Income Support**
- **Income-based Jobseeker's Allowance**
- **Income-related Employment and Support Allowance**
- **Support under Part VI of the Immigration and Asylum Act 1999**
- **The guaranteed element of Pension Credit**

Is pupil premium the same as free school meals?

Pupil premium and free school meals are not the same, but they are related. Pupil premium is extra funding for every child who's eligible for free school meals throughout their time at school. The funding goes directly to the school and pays for things like school trips, breakfast clubs, or additional teachers and assistants to provide extra support and one-to-one tutoring.

Once a child is in receipt of benefits-related free school meals, their school will receive additional funding (pupil premium) to help and support them through their education.

Nottinghamshire Holiday Activities and Food

What if my child has specific needs?

If your child requires assistance for the activity, please contact the provider to discuss further – you may be welcome to attend with your child or the activity provider may offer extra support for your child. We also have specific Special Educational Needs and Disabilities (SEND) provision, please discuss with the provider of the activity on booking.

Is food provided?

Yes. As part of every Nottinghamshire Holiday Activities and Food programme, refreshments and a meal will be provided free to each child and young person attending.

Please mention any dietary requirements your child has when booking. We will endeavour to meet all dietary needs.

Is transport provided?

Unfortunately, we cannot offer transport to each person wanting to take part in an activity. Where residents live in a rural locality, we will aim to support travel, but this will be considered on a one-to-one basis and by application. Please contact us via haf@nottscc.gov.uk.

How do I know my child is safe?

All our providers are DBS checked and Ofsted registered where required (under 8 provision). There are several checks that providers must pass to be a deliverer of the programme, to ensure your child is in the safest of hands.

At the time of booking you must also supply a password for collection of your child. We also ask for an emergency contact number where an appropriate adult can be reached. Please ensure that this number is current and active whilst your child is at their chosen activity.
