

NEWSLETTER

Week commencing 5th May 2026

Welcome to our Newsletter,

We hope you had a lovely bank holiday weekend and are ready and raring to go for the week ahead.

It was a busy week in school last week with football matches, a workshop and a surprise donation arriving.

The Year 6 Leavers Hoodies will be available to purchase on ParentPay this week! When notified, please place orders ASAP so that we can get them ordered and into school as early as possible.

Please see below for some pictures and more information about what we have been up to.....

Kind donation from Moores Family Shopper

Last week we were amazed to be told that we were receiving a £200 donation from Rajagobalan and Shobana from Moores Family Shopper.

Mrs Hall and Miss Ryan were delighted to receive such a kind gift. We are still deciding what to spend this on and will update you once a decision has been made.

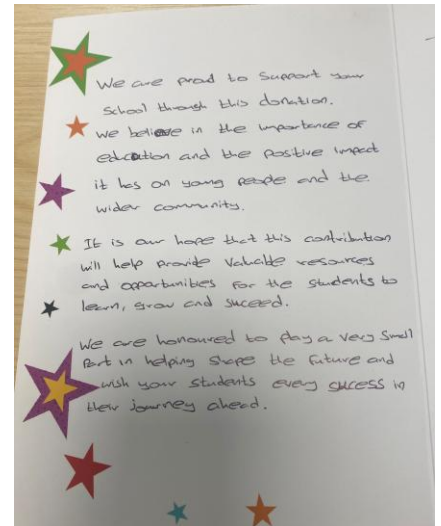

Figure-It-Out Friday

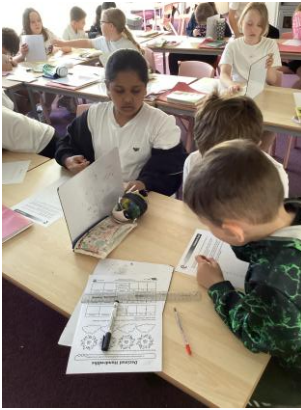

Year 3 worked collaboratively in groups to answer questions based on pictograms, helping us to interpret data carefully. We then moved on to creating our own tally charts to collect data before representing it as pictograms.

After completing our pictograms, we devised our own questions about the data we had presented. We swapped our work with other groups, challenging them to decide whether our statements were true or false!

Figure-It-Out Friday cont...

Year 4 looked at co-ordinates. They practised reading co-ordinates and then played a Treasure Hunt game, where they had to use logic and work systematically to find the co-ordinate their partner had hidden their treasure at!

Leas Park FC

On **Tuesday 21st April**, Leas Park played against St Edwards Primary. The team played a great game and demonstrated excellent sportsmanship. We came away with a 3-2 win 😊

On **Tuesday 28th April**, we played against Crescent Primary and we drew 2-2.

A big thank you to the parents for their continued support. Keep your eyes peeled for more football news as we have lots more matches coming up!

Year 5 Mayan Workshop

Year 5 had a fantastic workshop in school, with Mansfield Palace Theatre, learning all about the Ancient Maya. They explored a variety of different aspects from the past including where the Maya lived and when, the hierarchy system and what their roles within that looked like, potential enemies and threats that the Maya may have faced and the Gods and Goddesses that the Maya worshipped.

The children had the opportunity to learn facts through a variety of mediums such as drama and games. A firm favourite of the session was learning about and playing the game Pok-a-Tok. To finish off, the children acted out the different steps to the Maya creation story – there were some fantastic acting skills displayed. All the children were engaged and learned lots of new knowledge that will help them with their future work around the Ancient Maya in both our topic and writing units.

Zones of Regulation

Following on from last week, here we continue with our Zones of Regulation information:

Introduction to the GREEN ZONE

The GREEN ZONE describes a calm, alert state. We may be feeling happy, focused, content, peaceful, or calm in the Green Zone. The nervous system feels safe, organized, and connected in the Green Zone, helping us be primed to learn. *However, we can learn in other Zones too.*

When in the Green Zone we regulate by using tools and supports that keep us moving forward comfortably, helping us feel ready to go! In the Green Zone, we might regulate by choosing to eat a healthy snack, exercise, take a break, or pause for a mindful moment. These restorative actions help us proactively care for ourselves so we can move forward with ease.

Reminders, messages and additional news – please read!!

Waterproof coats

Please ensure your child brings a warm, waterproof coat to school every day, to keep them protected from the elements during our inclement English weather! All items of clothing should be labelled.

Late collection

If you are aware that you are going to be late to collect your child at the end of the school day, please let us know in plenty of time and **before** the end of school at 3:15pm. When calls are received close to the end of school, it can be difficult for reception staff to get to the classrooms before the children leave.

Changing dinners

Please note that the school office will need **one weeks' notice**, if you wish to change your child from school meals to sandwiches, or vice versa. Thank you.

Pupil Information

Please ensure school have all your current contact information and that it is up to date. If you change your name, telephone number or address, please let school know as soon as possible and ensure that we always have **at least two separate emergency contacts** for your child.

Pupil Lateness and Absence

School starts at **8:45am**. Please ensure your child arrives on time and with all the uniform, equipment, lunch and snacks that they require for their day. If you are going to be late arriving to school, or if your child is not in full school uniform, please contact us on 01623 477629 to let us know why. If you know in advance that your child will not be in or will be late in the following day, the message system regarding pupil absence can be accessed at any time outside of office hours via our telephone number.

If your child needs to be out of school for any reason, please complete a 'Withdrawal from Learning Form' and submit to the school office, for authorisation at the discretion of the head teacher. These forms can be accessed via this link: <https://forms.office.com/e/6Jjqkm1EqM> or paper copies are available from the leaflet stand in reception or in the office.

Illness & Medications

If you do need to keep your child off school on a school day, please contact the school office on 01623 477629 **before 9:00am on the day they are due to be off**.

If you wish for your child to be given medication whilst at school, please complete and submit the form via this link: <https://forms.office.com/e/afhPeAWWgU>

All medication needs to be handed in to school and collected by an adult.

Staff Car Park

Please note the staff car park is for use **by staff only**. We have very limited space and quite often staff need to leave site and return at short notice. Extra vehicles can make manoeuvring dangerous and can also mean that spaces aren't available for staff who need to be here. Thank you for your understanding.

Nut free school

In line with NCC policy regarding nut allergies, we do not allow any type of nuts including peanuts in school - either in packed lunches or in snacks. This also includes any nut-based products including Nutella, other sandwich spreads containing nuts and any cereal bars that may contain nuts.

Thank you for your support.

Snacks

Children are allowed to bring a healthy snack in with them to have during break time, for example fruit or vegetables. Please do not send in grab bags/multi packs of crisps, biscuits or sweets. Please ensure any food sent into school is nut free. Thank you for your co-operation.

Jewellery

Children should not be wearing jewellery to school, with the exception of a watch (not a smartwatch) and small stud earrings, which will need to be removed or covered during PE lessons. This is due to Health and Safety and the possibility of loss or damage.

Leas Park Awards
