Waterproof coat reminder

We know we shouldn't have to be doing this in June but given the very changeable weather we have seen over the last 2 weeks please remember to send your child to school with a (clearly labelled) waterproof coat each day – thank you.

Leas Park FC Update

Our Year 5 and 6 footballers have had a brilliant run since the last update, playing three matches and remaining unbeaten. With two fantastic wins and one well-earned draw, the team has continued to show exactly why they're such a joy to watch. The players, as always, have been amazing—showing teamwork, determination, and real passion on the pitch.

With only a few matches left this season, keep an eye out for the updated results table and continue cheering on our young athletes as they finish the season strong.

ZONES of REGULATION

Helping at Home

Can you help your child use The Zones of Regulation at home?

- ✚ Model and identify your own feelings using Zones language in front of your child (e.g. “I’m frustrated, I think I am in the Yellow Zone.”)
- ✚ Observe your child’s behaviour and try to use strategies when they are showing signs of being in the yellow zone, to catch it before they move to the red zone
- ✚ Practice calming strategies when your child is in the green zone. This may include doing some deep breathing/meditation/heavy work and sensory activities throughout their day
- ✚ Talk about what tool you will use to be in the appropriate Zone (e.g. “I need to take four deep breaths / have a cup of tea to help get me back to the Green Zone.”)
- ✚ At times, wonder which Zone your child is in. Or discuss which Zone a character in a film / book might be in. (e.g. “You look sleepy. Are you in the Blue Zone?”)
- ✚ Share how their behaviour is affecting your Zone. For example, if they are in the Green Zone, you could comment that their behaviour is also helping you feel happy/ go into the Green Zone.
- ✚ Put up and reference the Zones visuals and tools in your home to consistently refer to and check in regularly with this
 - ✚ Remember to monitor your language: usually less is best (minimal in the red zone!)
 - ✚ Praise and encourage your child when they share which Zone they are in
- ✚ Develop your child’s own zones of regulation tool-box – using the exercises above - have easy access to calming/sensory equipment at home (more to follow on this next week!)

Reminders, messages and additional news – please read!!

Waterproof coats

Please ensure your child brings a warm, waterproof coat to school every day, to keep them protected from the elements during our inclement English weather! All items of clothing should be labelled.

Late collection

If you are aware that you are going to be late to collect your child at the end of the school day, please let us know in plenty of time and **before** the end of school at 3:15pm. When calls are received close to the end of school, it can be difficult for reception staff to get to the classrooms before the children leave.

Changing dinners

Please note that the school office will need **one weeks' notice**, if you wish to change your child from school meals to sandwiches, or vice versa. Thank you.

Pupil Information

Please ensure school have all your current contact information and that it is up to date. If you change your name, telephone number or address, please let school know as soon as possible and ensure that we always have **at least two separate emergency contacts** for your child.

Pupil Lateness and Absence

School starts at **8:45am**. Please ensure your child arrives on time and with all the uniform, equipment, lunch and snacks that they require for their day. If you are going to be late arriving to school, or if your child is not in full school uniform, please contact us on 01623 477629 to let us know why. If you know in advance that your child will not be in or will be late in the following day, the message system regarding pupil absence can be accessed at any time outside of office hours via our telephone number.

If your child needs to be out of school for any reason, please complete a 'Withdrawal from Learning Form' and submit to the school office, for authorisation at the discretion of the head teacher. These forms can be accessed via this link: <https://forms.office.com/e/6JJqkm1EqM> or paper copies are available from the leaflet stand in reception or in the office.

Illness & Medications

If you do need to keep your child off school on a school day, please contact the school office on 01623 477629 **before 9:00am on the day they are due to be off**.

If you wish for your child to be given medication whilst at school, please complete and submit the form via this link: <https://forms.office.com/e/afhPeAWWgU>

All medication needs to be handed in to school and collected by an adult.

Staff Car Park

Please note the staff car park is for use **by staff only**. We have very limited space and quite often staff need to leave site and return at short notice. Extra vehicles can make manoeuvring dangerous and can also mean that spaces aren't available for staff who need to be here. Thank you for your understanding.

Nut free school

In line with NCC policy regarding nut allergies, we do not allow any type of nuts including peanuts in school - either in packed lunches or in snacks. This also includes any nut-based products including Nutella, other sandwich spreads containing nuts and any cereal bars that may contain nuts.

Thank you for your support.

Snacks

Children are allowed to bring a healthy snack in with them to have during break time, for example fruit or vegetables. Please do not send in grab bags/multi packs of crisps, biscuits or sweets. Please ensure any food sent into school is nut free. Thank you for your co-operation.

Jewellery

Children should not be wearing jewellery to school, with the exception of a watch (not a smartwatch) and small stud earrings, which will need to be removed or covered during PE lessons. This is due to Health and Safety and the possibility of loss or damage.

Looking for something fun, creative, and confidence-building this summer?

Our Summer School is back at the Palace Theatre!

Inspired by the magic of musicals, this week is perfect for children who love to sing, dance, act, or simply would like to try something new.

Throughout the week, young performers will explore the world of a true triple threat. Led by friendly industry professionals, sessions include West End inspired choreography, vocal training and acting sessions with a qualified LAMDA drama teacher. The week will be filled with engaging activities designed to build skills and confidence.

No experience is needed, just enthusiasm and a willingness to get involved. Whether your child already loves musicals or is discovering them for the first time, they'll be supported every step of the way while making new friends and learning new skills.

By the end of the week, they'll have grown in confidence, creativity, and self-expression. All while enjoying the excitement and storytelling of musical theatre.

Spaces are limited, so secure your child's place today and give them a summer filled with music, movement, and fun!
