

NEWSLETTER

Week commencing 15th June 2026

Welcome to our Newsletter,

We are kicking off (excuse the World Cup pun!) the week here at Leas Park by waving off our Year 6's who are going on their residential trip to Dearne Valley. Watch out next week for lots of pictures from their exciting trip!

We are also looking forward to hosting our Father's Day breakfasts which start this week, beginning with Year 6 on Thursday and Year 5 on Friday.

Reminder - Lower School Evening of Fun

We are holding our Evening of Fun for our lower school pupils next Friday 26th June, 5-7pm.

The children will spend the evening singing songs, playing games, doing craft activities and eating yummy food!

If you haven't already done so, bookings can be made on ParentPay with a cost of £5.00. **Booking will close this Friday, 19th June.**

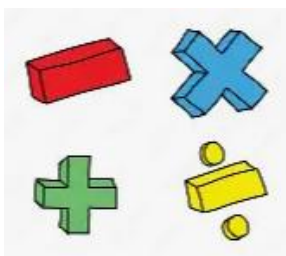

Summer Fayre – Stallholder opportunities

We are looking for more stallholders for our Summer Fayre, being held on **Wednesday 15th July**. If you are interested in holding a stall please email the school office admin1@leaspark.notts.sch.uk ASAP with your details.

Assessment week & Yr 4 Multiplication Check

Years 3, 4 and 5 powered through a successful assessment week here in school last week. We are very proud of how everyone focussed, concentrated and tried their very best on every paper.

Year 4 have also had their Multiplication Times Table check. Miss Canniffe said 'We are so proud of our Year 4s for completing their MTC over the last two weeks! They have been working hard all year learning their times tables in school and at home to get ready for their final check, and we have been absolutely blown away by their effort, enthusiasm and determination. They all did a brilliant job and we can't wait to see their scores!'

Zones of Regulation

ZONES of REGULATION

Over the past few weeks we have explored the different *Zones of Regulation* here in our newsletter, with what each zone can look and feel like. Now that children are becoming more confident in recognising their emotions and feelings, we can begin to explore strategies that can help us regulate ourselves within each zone.

To support this, we have introduced *Zones Toolboxes* in every classroom. These are available for children to use throughout the school day, in line with their teacher's expectations and routines. The children have helped us decide what they would like included in the toolboxes, making them a meaningful and supportive resource.

This could also be a lovely idea to "magpie" at home — even something as simple as a daily Zones check-in can make a big difference. Some ideas we took inspiration from include:

- colouring or doodling
- sensory/fidget tools
- breathing cards
- quiet reading time
- movement breaks
- calming music
- positive affirmations
- mindfulness activities

We would love to see or hear about any success stories, ideas, or creations you try at home too. Sharing strategies between school and home helps us work together to support the children in developing lifelong self-regulation skills.

Reminder – Inset Days 2026-2027

During the next academic year the school will be closed to pupils on the following dates:

- Friday 20th November 2026
- Thursday 25th March 2027
- Friday 28th May 2027
- Wednesday 28th July 2027

Preparing for warm weather

Hopefully we will start to see some warmer weather over the coming weeks.

Please can we ask for your support in helping your child come to school ready for the weather. Please ensure that your child:

- Brings a named water bottle each day
- Brings a hat clearly labelled with their name
- Comes to school with suncream already applied in the morning. This will help protect them during outdoor learning, playtimes and PE sessions

Thank you for helping us keep everyone safe, comfortable and ready to learn.

Reminders, messages and additional news – please read!!

Waterproof coats

Please ensure your child brings a warm, waterproof coat to school every day, to keep them protected from the elements during our inclement English weather! All items of clothing should be labelled.

Late collection

If you are aware that you are going to be late to collect your child at the end of the school day, please let us know in plenty of time and **before** the end of school at 3:15pm. When calls are received close to the end of school, it can be difficult for reception staff to get to the classrooms before the children leave.

Changing dinners

Please note that the school office will need **one weeks' notice**, if you wish to change your child from school meals to sandwiches, or vice versa. Thank you.

Pupil Information

Please ensure school have all your current contact information and that it is up to date. If you change your name, telephone number or address, please let school know as soon as possible and ensure that we always have **at least two separate emergency contacts** for your child.

Pupil Lateness and Absence

School starts at **8:45am**. Please ensure your child arrives on time and with all the uniform, equipment, lunch and snacks that they require for their day. If you are going to be late arriving to school, or if your child is not in full school uniform, please contact us on 01623 477629 to let us know why. If you know in advance that your child will not be in or will be late in the following day, the message system regarding pupil absence can be accessed at any time outside of office hours via our telephone number.

If your child needs to be out of school for any reason, please complete a 'Withdrawal from Learning Form' and submit to the school office, for authorisation at the discretion of the head teacher. These forms can be accessed via this link: <https://forms.office.com/e/6JJqkm1EqM> or paper copies are available from the leaflet stand in reception or in the office.

Illness & Medications

If you do need to keep your child off school on a school day, please contact the school office on 01623 477629 **before 9:00am on the day they are due to be off**.

If you wish for your child to be given medication whilst at school, please complete and submit the form via this link: <https://forms.office.com/e/afhPeAWWgU>

All medication needs to be handed in to school and collected by an adult.

Staff Car Park

Please note the staff car park is for use **by staff only**. We have very limited space and quite often staff need to leave site and return at short notice. Extra vehicles can make manoeuvring dangerous and can also mean that spaces aren't available for staff who need to be here. Thank you for your understanding.

Nut free school

In line with NCC policy regarding nut allergies, we do not allow any type of nuts including peanuts in school - either in packed lunches or in snacks. This also includes any nut-based products including Nutella, other sandwich spreads containing nuts and any cereal bars that may contain nuts.

Thank you for your support.

Snacks

Children are allowed to bring a healthy snack in with them to have during break time, for example fruit or vegetables. Please do not send in grab bags/multi packs of crisps, biscuits or sweets. Please ensure any food sent into school is nut free. Thank you for your co-operation.

Jewellery

Children should not be wearing jewellery to school, with the exception of a watch (not a smartwatch) and small stud earrings, which will need to be removed or covered during PE lessons. This is due to Health and Safety and the possibility of loss or damage.

Looking for something fun, creative, and
confidence-building this summer?

Our Summer School is back at the Palace Theatre!

Inspired by the magic of musicals, this week is perfect for
children who love to sing, dance, act, or simply would like
to try something new.

Throughout the week, young performers will explore the
world of a true triple threat. Led by friendly industry
professionals, sessions include West End inspired
choreography, vocal training and acting sessions with a
qualified LAMDA drama teacher. The week will be filled
with engaging activities designed to build skills and
confidence.

No experience is needed, just enthusiasm and a
willingness to get involved. Whether your child already
loves musicals or is discovering them for the first time,
they'll be supported every step of the way while making
new friends and learning new skills.

By the end of the week, they'll have grown in confidence,
creativity, and self-expression. All while enjoying the
excitement and storytelling of musical theatre.

Spaces are limited, so secure your child's place today and
give them a summer filled with music, movement, and fun!
