Leas Park Junior School

Week commencing 2nd November 2026

Welcome to our Newsletter,

Welcome back! We hope you all had a fantastic half term.

During the holidays two of our wonderful members of staff got married. I am sure you will join us in saying congratulations to 4C's Miss Canniffe who is now Mrs Canniden and 5J's Miss Jacques who is now Mrs Roberts. We wish you a lifetime of happiness, love and laughter.

Before we broke up for half term we held our School Councillor Elections, the children were amazing, so well behaved and respectful. Please see below for more information and images.

This week sees our Year 5 children go to Nottingham University on Tuesday and Wednesday and our Year 3 children receiving an Earthquakes and Volcanoes workshop. More details and images to follow.

Children in Need 2026 is on Friday 13th November 2026. Wristbands and ears are now available for pre-order on ParentPay.

Reminders

Allergies – Please ensure you update the school office if your child has an allergy/intolerance of any sort, however mild. We do not want to inadvertently put your child at risk and not have the means to treat a reaction.

Dietary requirements – if your child has any dietary needs please also let us know. Even if your child is on sandwiches, there may be an occasion we may have to replace a forgotten lunchbox or make considerations for a class cooking session.

Arbor

It is imperative that you are checking Arbor regularly.

All communications from the school office are sent to you via Arbor. This includes messages, updates, requests, letters etc. We do not want you to miss something important or for your child to miss out on a trip/event due to not checking the app regularly. In the coming months, Arbor will replace ParentPay for the payment of school dinners and trips.

The school office cannot see information sent through Dojo as this is designed to be used only by teaching staff.

Absence

It is important you notify the school of any child absence, whether because of illness, an appointment or for any other reason.

If your child is ill, you must notify the school office daily. This can be done 24/7 on our voicemail system, on Arbor, a call to the office or email.

For planned absences, a Withdrawal from Learning form must be completed. These can be collected from the office or completed electronically on our website.

Removing your child from education without reason will result in that absence being unauthorised. Unauthorised occasions may lead to a Penalty Notice to be issued by Notts County Council.

Co-opted Governors

We currently have vacancies for **Co-opted Governors** and **Parent Governors** on our Governing Board and would like to hear from anyone who is interested in supporting the continued success of our school.

School governors play an important role in helping to shape the strategic direction of the school, ensuring that pupils receive the best possible education and that school resources are used effectively. Governors work closely with the Headteacher and senior leaders, providing support, challenge and oversight.

This is a voluntary role, but it is highly rewarding and provides an opportunity to make a meaningful contribution to the school and wider community.

If you know anybody who would like to find out more about becoming a Co-opted Governor, please contact the school office at admin1@leaspark.notts.sch.uk

We will be sending letters and nomination forms for our Parent Governor vacancies shortly.

Year 5 were joint winners of the Golden Tickets so both classes got to enjoy a party of sweets and pumpkin carving. They had a wicked time and made some spooky carvings!

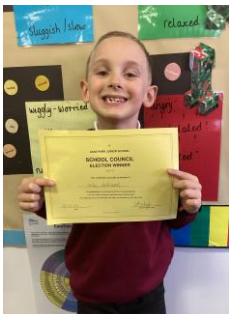

School Councillor Elections

We are excited to announce that our School Council elections took place on Wednesday 14th October. Pupils from across the year groups put themselves forward for the important role of representing their classmates, sharing ideas, and helping shape school life. After thoughtful speeches and enthusiastic hustings, children cast their votes and demonstrated a good understanding of voting etiquette.

Congratulations to our newly elected councillors and deputies and a huge well done to all who took part. We look forward to seeing the positive changes and brilliant ideas they bring to school this year!

Nottinghamshire County Council's consultation invites you to give your views about the proposed admission arrangements for community and voluntary controlled schools in Nottinghamshire for 2028-2029. Please find a summary of the consultation below. Full proposed arrangements can be found here School admissions consultation 2028 to 2029 | Nottinghamshire County Council

Nottinghamshire County Council

Consultation on admission arrangements for community and voluntary controlled schools 2028-2029

Period of consultation: 5 October 2026 to 22 November 2026

Nottinghamshire County Council's consultation invites you to give your views about the proposed admission arrangements for community and voluntary controlled schools in Nottinghamshire for 2028-2029.

Background information

Admission authorities
There are different types of schools in Nottinghamshire. The County Council is the admission authority for all community and voluntary controlled schools. This means that we are responsible for the admission arrangements for these schools.

Other types of schools - academies, foundation, free, studio, trust and voluntary aided schools these are known as own admission authorities. These schools are responsible for their own admission arrangements and have to run their own consultation if changes are proposed. You would need to visit individual school websites for details.

Admission arrangements including oversubscription criteria
All schools must have admission arrangements that clearly set out how children will be admitted, including information about what happens if there are more applications than places available (oversubscription criteria).

All admission authorities must include the oversubscription criteria in their arrangements. The criteria must be reasonable, clear, objective, procedurally fair, and comply with all relevant legislation, including equalities legislation.

It is for admission authorities to decide which criteria are most suitable for the school according to the local circumstances. There are no proposed changes to the oversubscription criteria for community and voluntary controlled schools.

Nottinghamshire community and voluntary controlled schools have defined catchment areas and children living in these areas have higher priority for places than children outside of catchment. The address point (using eastings and northings as defined by Ordnance Survey) will be the point used to determine if the property falls within a specific catchment area. Details of catchment areas are available at www.nottinghamshire.gov.uk/education/school-admissions/school-catchment-areas

This does not prevent parents who live outside the catchment area of a school, or even outside Nottinghamshire, from expressing a preference for that school.

Children living in the catchment area with a brother or sister (sibling) attending the school are given priority over other children living inside the catchment area. Children living outside the catchment area with a brother or sister attending the school are given priority over all other children living outside the catchment area.

What is included in the consultation?

Nottinghamshire County Council is consulting on the following for 2028-2029:

- Proposed reduction of the Published Admission Number (PAN) at:
  - Eskdale Junior School (from 70 to 60)
  - Nettleworth Infant and Nursery School (from 70 to 60)
  - Newstead Primary and Nursery School (from 20 to 15)
- Change to catchment area for Prospect Hill Infant and Nursery School and Prospect Hill Junior School
- Co-ordinated admission schemes

Proposal 1 - reduction to the published admission number (PAN)
The PAN is the number of school places that the admission authority must offer in the age group that children are normally admitted (eg reception). Across the country there is a reduction in pupil population at first admission to school (reception). Place planning reviews indicate that the proposed reduction to PAN for the following schools will not impact on the delivery of sufficient school places in the area by the 2028-2029 academic year.

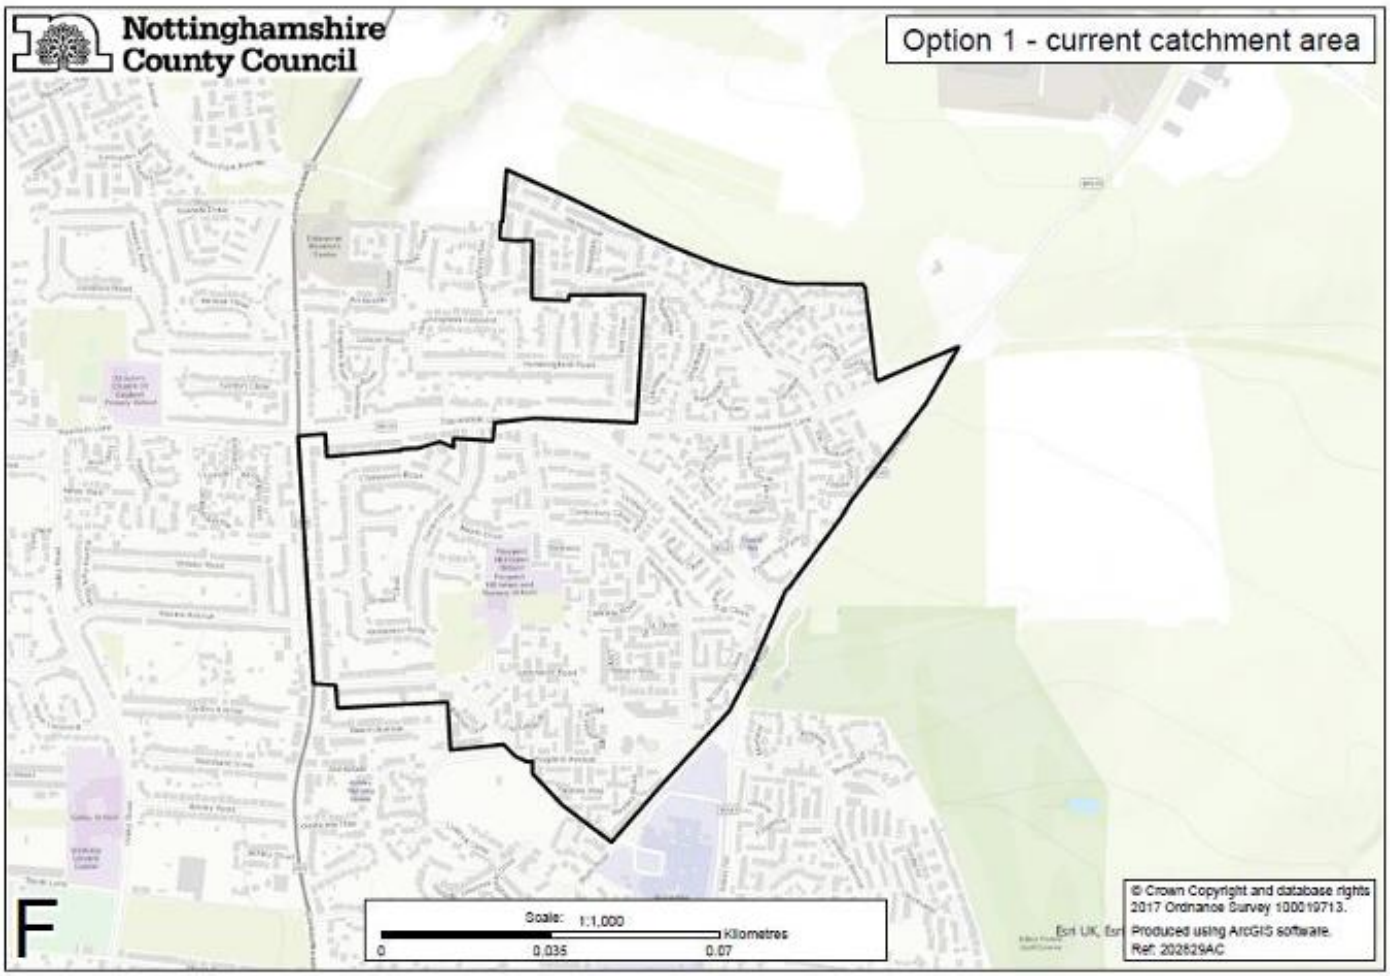

DISTRICT	SCHOOL	CURRENT PAN 2027-2028	PROPOSED PAN 2028-2029
Broxtowe	Eskdale Junior School	70	60
Mansfield	Nettleworth Infant and Nursery School	70	60
Gedling	Newstead Primary and Nursery School	20	15

Proposal 2 – change to catchment area for Prospect Hill Infant and Nursery School and Prospect Hill Junior School
The latest pupil projection data indicates that there will be a surplus of places at schools within the Worksop Planning area over the next five years. Table 1 shows that there is forecast to be over 400 primary school places available across the planning area during each academic year. The projected demand is inclusive of the demand for school places anticipated from the housing development at Aviary Way.

The County Council has been approached by Prospect Hill Infant and Nursery School and Prospect Hill Junior School and requested to review the catchment area for the school to take into account the new development that boarders the schools' existing catchment area. Nottinghamshire County Council is consulting on 3 proposals which will affect Prospect Hill Infant and Nursery School and Prospect Hill Junior School.

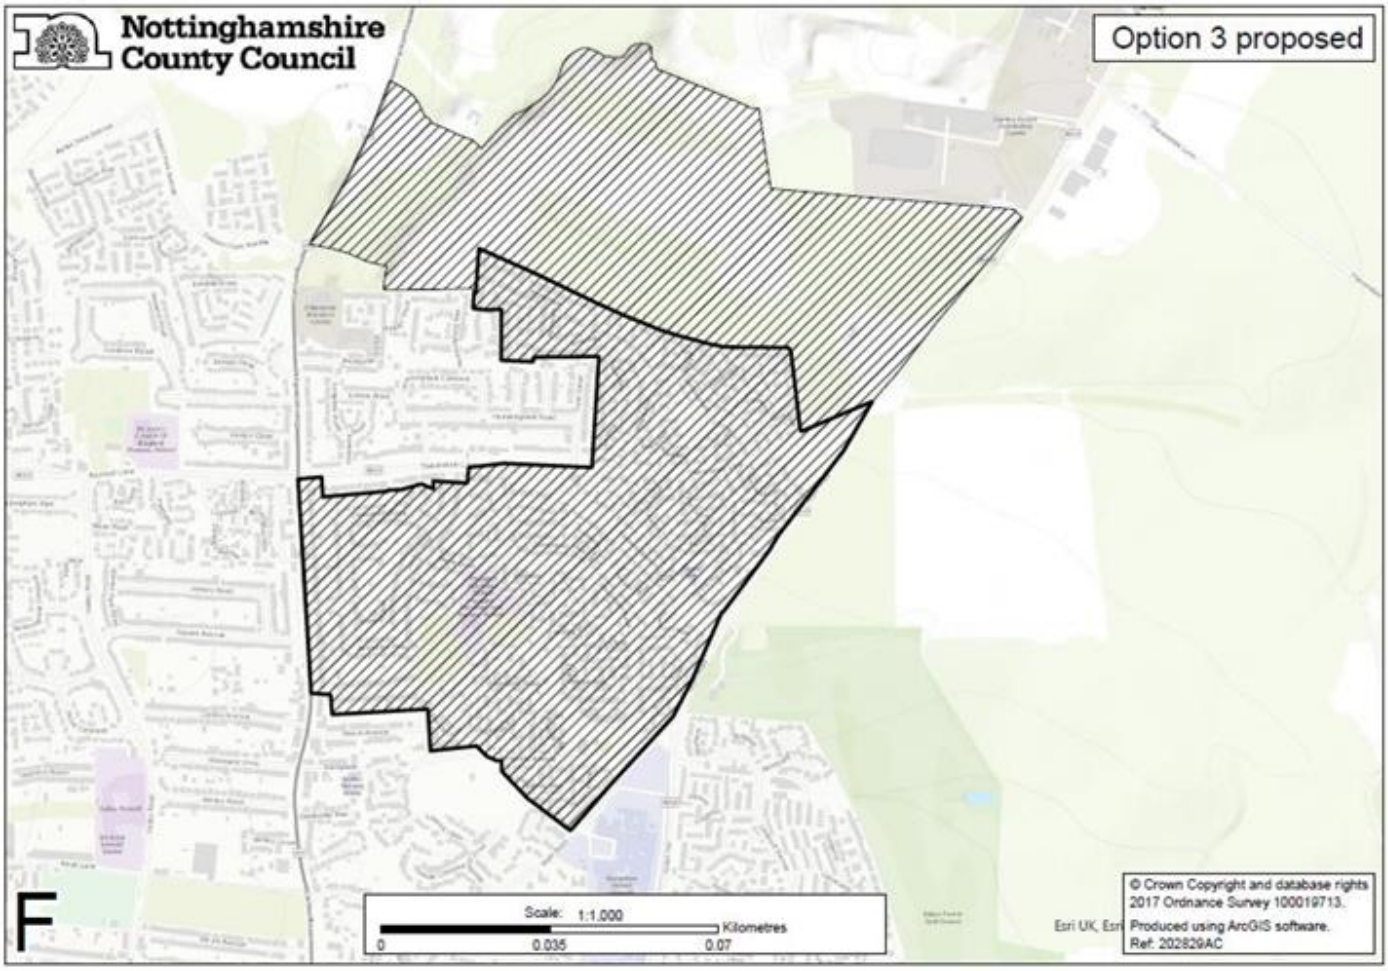

- Option 1 – retain existing catchment area (no change)

- Option 2 – extend the catchment area to take in part of the development

- Option 3 – extend the catchment area to take in the whole development, using the woodland as the catchment boundary

Proposal 3 – coordinated admissions schemes

Coordination means that local authorities exchange information and work together to ensure that, as far as possible, every parent of a child living in a local authority area who has applied for a publicly funded school or academy is sent one, and only one, offer of a school place. There are minor changes to proposed dates in both the primary and secondary coordinated schemes.

No other changes are being proposed.

The full proposed admission arrangements document for 2028-2029 is available at www.nottinghamshire.gov.uk

Who do we consult with?

We will be seeking the views of the following groups:

- parents of children between the ages of two and eighteen
- other people in the relevant area who may have an interest in the proposed admission arrangements
- all other admission authorities within the relevant area
- all community and voluntary controlled schools in Nottinghamshire
- chairs of governing bodies of Nottinghamshire schools
- diocesan representatives (relevant religious authorities)
- admission authorities in neighbouring local authority areas
- all registered early years providers within Nottinghamshire

You can give your views on the consultation between 5 October 2026 and 22 November 2026

Anyone can comment on the arrangements. If you wish to respond, you can do this up to 22 November 2026 by:

- completing the online response form on the public website
- emailing admissionsconsultations@nottscc.gov.uk

The School Admissions Code 2021 (1.48) states that the full proposed admission arrangements must be available on the website for the duration of the consultation period.

What happens after the consultation closes?

All responses received by 22 November 2026 will be considered. Elected members (County Councillors) make a decision on behalf of Nottinghamshire taking into account a range of information, including the consultation responses. All admission authorities have to agree the admission arrangements that are most suitable according to the local circumstances.

Determining admission arrangements 2028-2029
Admission arrangements for community and voluntary controlled schools must be agreed (determined) by Nottinghamshire County Council by **28 February 2027** even if there have been no changes from previous years.

Publication of determined arrangements 2028-2029
Once Nottinghamshire County Council has determined their admission arrangements, they will be available on the public website for the whole offer year (the academic year in which offers for places are made). Local authorities must publish on their website **by 15 March 2027.**

Reminders, messages and additional news – please read!!

Weather preparation
Please ensure your child comes to school ready for the weather conditions of the day. In the cold months, coats, hats, gloves and sensible footwear, in the warmer months, light clothing, wearing suncream and ensuring they have plenty of water.

Late collection
If you are aware that you are going to be late to collect your child at the end of the school day, please let us know in plenty of time and **before** the end of school at 3:15pm. When calls are received close to the end of school, it can be difficult for reception staff to get to the classrooms before the children leave.

Changing dinners
Please note that the school office will need **one weeks' notice**, if you wish to change your child from school meals to sandwiches, or vice versa. Thank you.

Pupil Information
Please ensure school have all your current contact information and that it is up to date. If you change your name, telephone number or address, please let school know as soon as possible and ensure that we always have **at least two separate emergency contacts** for your child.

Pupil Lateness and Absence
School starts at **8:45am**. Please ensure your child arrives on time and with all the uniform, equipment, lunch and snacks that they require for their day. If you are going to be late arriving to school, or if your child is not in full school uniform, please contact us on 01623 477629 to let us know why. If you know in advance that your child will not be in or will be late in the following day, the message system regarding pupil absence can be accessed at any time outside of office hours via our telephone number.
If your child needs to be out of school for any reason, please complete a 'Withdrawal from Learning Form' and submit to the school office, for authorisation at the discretion of the head teacher. These forms can be accessed via this link: https://forms.office.com/e/6JJqkm1EqM or paper copies are available from the leaflet stand in reception or in the office.

Illness & Medications
If you do need to keep your child off school on a school day, please contact the school office on 01623 477629 **before 9:00am on the day they are due to be off.**
If you wish for your child to be given medication whilst at school, please complete and submit the form via this link: https://forms.office.com/e/afhPeAWWgU
All medication needs to be handed in to school and collected by an adult.

Staff Car Park
Please note the staff car park is for use **by staff only.** We have very limited space and quite often staff need to leave site and return at short notice. Extra vehicles can make manoeuvring dangerous and can also mean that spaces aren't available for staff who need to be here. Thank you for your understanding. Parking in the carpark is not for the use of wraparound care drop off and collections.

Nut free school
In line with NCC policy regarding nut allergies, we do not allow any type of nuts including peanuts in school - either in packed lunches or in snacks. This also includes any nut-based products including Nutella, other sandwich spreads containing nuts and any cereal bars that may contain nuts.
Thank you for your support.

Snacks
Children are allowed to bring a healthy snack in with them to have during break time, for example fruit or vegetables. Please do not send in grab bags/multi packs of crisps, biscuits or sweets. Please ensure any food sent into school is nut free. Thank you for your co-operation.

Jewellery
Children should not be wearing jewellery to school, with the exception of a watch (not a smartwatch) and small stud earrings, which will need to be removed or covered during PE lessons. This is due to Health and Safety and the possibility of loss or damage.

Do you want to stop smoking?

Free app for 6 months

Stopping smoking is the single most beneficial thing someone can do for their health.

Smoke Free provides evidence-based behavioural support in an app. It is the most popular stop smoking app available, having been downloaded over 7 million times and has received 185,000 5-star reviews.

Nottinghamshire County Council public health team have offered **FREE 6-month** app licences to employees, including those working for organisations providing services to NCC, since November 2024, and we've now expanded the offer so even more people can have the opportunity to use Smoke Free to stop smoking.

Smoke Free

Nottinghamshire County Council

So far:

49 NCC employees have downloaded the app | **35** users have reached the 4-week quit milestone!

The users have totalled over **£20,000 of savings**, over 2,600 smoke free days and about 38,000 cigarettes have not been smoked!

Let's hear from Claire, an employee at NCC on her Stop Smoking Journey:

Smoke Free

I have smoked since I was about 16, mostly in social settings or when I drank alcohol. I've thought about stopping smoking several times but never have, although over the Christmas period of 2024 I had been away and had smoked far too much and returned to work feeling pretty rubbish.

I saw the advert for the Smoke Free app on the intranet and decided to give it a try. They were so helpful. It was an actual person messaging me, finding out my habits, what I was hoping for etc. Within a couple of days, they had sent me a vape and some vape liquids. They checked in on me weekly, by text and via the app, making sure I had what I needed. They gave me lots of tips when I was feeling tempted and praise especially when I had been out which were the most difficult times for me.

I had my last cigarette on 29th December 2024, I used the vape provided by them until around 25th August 2025 and I have now given that up too. I gradually used it less and less as my confidence in being smoke free grew, particularly in social settings. I am 100% confident that I'll never smoke again. I am so grateful for the app, as without them I'd probably still be thinking about stopping now. The check-ins were really nice and helped to hold me accountable.

If you are considering quitting smoking it is 100% worth it and it was completely free!! Thanks again for your support and keeping in touch with me ten months later. It really has changed my life!

If you download the app, you will have access to:

- **24/7 support** from fully qualified stop smoking advisors, including guidance on how to deal with cravings and relapse, and understand which quit approach is best for you
- up to **12 weeks supply** of vapes or Nicotine Replacement Therapy (NRT) to support your quit attempt
- **additional social support** through stop smoking clinics and community groups
- **motivational tools** such as progress, money saving and improved health indicators, goals, success badges and fun daily missions to keep you committed to quitting

Here's some more feedback from NCC employees using the app:

"Feel great and proud I have kept at it. Thanks for all your support and getting me off the cigarettes. No looking back!"

"Has it really been 6 months? Didn't realise and yes I am still smoke free and I will never touch a cigarette again. Thanks so much. I wouldn't have done it without your help at the start. Literally changed my life."

"Can't thank you enough. 40 years smoking. Love the app."

"It's nice to have the count on the app of how much time not smoking, the money saved and seeing the health missions updated. The advisors have always been very helpful. Much appreciated."

"Not only the advisors and app were fabulous but also the products themselves as I have tried several times before and not succeeded so thank you."

"It's not been easy, but the support means a lot, thank you for everything."

Christmas is Coming!

During the run up to Christmas, why not take a break and let your kids enjoy a fun-filled workshop on a Saturday afternoon, followed by a concert on Sunday for the whole family at the iconic Albert Hall in Nottingham.

Get into the Christmas spirit with lots of well-known Christmas songs including some familiar favourites!

Young singers will be joined by other members of the MfE 'singing' family too on the concert day for this mega-Christmas extravaganza!

Singers will be divided into two age-group choirs:

Vocals 1 (school yrs 1 - 3) **Vocals 2 (school yrs 4 - 8)**

Music packs, including lyrics and audio tracks, will be sent out approximately one month before the event, giving everyone the chance to learn the songs as best they can before the singing afternoon.
